BY ODYSSEY

TRAIN : Qinghai Tibet Railways

JOURNEY : Shanghai to Lhasa (& vice - versa)

Journey Duration : Upto 3 Days

Day to Day Itinerary

From Shanghai, the train to Tibet (No. Z164) departs every day at 18:33 and takes around 44:32 hours to reach Lhasa. It is the only train that connects the international metropolis with the holy city on the highland. Travelers will spend two nights onboard the train and experience an epic ride to the snowy plateau.

The return train from Lhasa to Shanghai departs at 11:50 pm following the same route on the way back.
